

Centipede Crawl

Look at the centipede walking in line
Watch all the legs keeping in time.
How many legs can you see?
Count them in tens as quick as can be.

10, 20, 30, 40, 50, 60,
70, 80, 90, 100.

100 little legs walking in line
Watch all the legs keeping in time.
100 little legs, 100 little steps
100 little steps all in time.

10, 20, 30, 40, 50, 60,
70, 80, 90, 100.
